It is hard to believe that a year has gone by since the 2007 Haunted Woods Trail. This years trail is scheduled for Saturday, October 25, 2008. It will be held in Central Park across from city hall, from 6:00pm to 8:00pm.

This event is driven by contributions from local businesses & organizations in the Rosemount area, and your support is very much appreciated. Our budget for the 2008 Haunted Woods Trail is \$2,400.00 which includes the following cost: Insurance, Advertising, garbage pickup, candy and repair or purchase of props. Without your continued support this event would not exist.

We look forward to hearing from you. Please send back the enclosed form back to us no later Friday, October 5, 2008 to included in any advertisements.

Thank you for your consideration.

Sincerely,

Rosemount Halloween Committee
